Dear [Redacted]

The Joint Chiefs of Staff have initiated a program to review for declassification the histories of the Joint Chiefs of Staff in order to give them wider distribution.

Enclosed are reproductions of pages from one of these histories entitled History of the Joint Chiefs of Staff, The Joint Chiefs of Staff and National Policy, 1950-1952, Volume IV. These pages contain classified information extracted from, or attributed to, the Central Intelligence Agency.

Request your office review these pages to determine the current classification of the CIA information therein, and advise this office of your action. Please return the reproductions with your reply.

Upon removal of the enclosures, this letter becomes UNCLASSIFIED.

Sincerely,
